Our people are passionate about our products and we take pride in providing excellent before and after sales service to our clients.

Aspect Cedar Shutters.

CEDAR SHUTTERS

A distinguished feel.

Our prestigious cedar range is made with the most balanced and stable timber in the world providing excellent thermal and acoustic properties. All the cedar used in our Cedar Shutters is sourced from sustainable forests in Canada. Cedar is one of the most dimensionally stable timbers available.

Cedar Shutters have a gorgeous wood grain finish for a natural, blended tone of light, medium and dark panels. Cedar Shutters are 30% lighter than Basswood and have a natural cedar scent making it a plush option for any room.

Cedar Benefits

Light weight, prestigious timber.

Most balanced and stable timber in the world.

Excellent thermal and acoustic properties.

Moisture resistant, can be used in wet areas, indoors and outdoors.

Warm and inviting, Cedar Shutters are a class above.
